Greetings Adventure Seekers,

I'm leading a trip to Greece and you're invited! I am excited to announce that I am partnering with **Doves Travel Inc of Emerald Isle** to lead a trip to **Greece June 16-26, 2023** for local adults.

I have been a local educator for 24 years. In 2018, I started leading group tours for local students. I have successfully led tours to New York City, California, England, and France. I have found that I have a knack for leading travel groups and I am always looking for companions who want to travel with me! Group travel makes visiting dream destinations more affordable, with the added safety of traveling in a group.

This Greek adventure is geared for adults, but children over the age of 12 are welcome to attend with a parent or grandparent. Highlights include visits to Athens, Delphi, the Archaeological Sites of Olympia, Mycenae, and the Acropolis. While on land, we will travel with a local guide who is a native to Greece (and someone who Dove has worked with before) aboard a private, air-conditioned motor coach. The trip will conclude with a 3 night / 4 day cruise to the Greek Islands.
